**HELLO!**

Want to have fun with me and my friends? If you do, come along and fly with us through Amsterdam on the pages of this super jolly book. We have games, puzzles, jokes, labyrinths and lots more.

Me? I'm Perry the Pigeon, your personal guide on this adventure. I'll explain what you need to do, where you need to go and best of all, you get to meet all of my pigeon friends. But watch out, we're everywhere, and some of my buddies do like to drop 'presents' on people's head!

join the gang and add your picture to the famous fun tree
